INTRODUCTION

IT is with confidence based on a knowledge of the ungrudging effort and care devoted to its preparation that the publishers present the sixty-second edition of Willing's Press Guide.

For many years we have experienced a lively demand for the Guide, a demand which, in view of the considerable number of copies sold to Advertisers, Advertising Agents and to Authorities and traders abroad, must have brought no small benefit to the newspapers, magazines etc., of which the Guide forms so accurate a list.

In 1934, however, the rapidity with which our stock was exhausted proved the ever increasing reputation in which our publication is held.

To those intending purchasers whom we were unable to supply we tender our regrets.

That the present issue will not fail to maintain the clearness, the completeness and the accuracy of its forerunners we are well assured.

The increase in the number of new **periodicals** of which we have been advised since publication of the previous edition alone involves an appreciable expansion of our list and the aggregate in Great Britain and Ireland now reaches a figure approximating 7,000.

Among **daily newspapers** the "Worcester Evening News" and the "Jewish Daily Post" appear for the first time and other newcomers covering various interests are too numerous for mention in this introduction.

All, however, will be found both in the general and classified lists.

Among many **new issues** the following are typical :—
"Airships," "Air Stories," "Amateur Boxing Monthly," "Amateur Cine World," "Amateur Musician," "Bradshaw's International Air Guide," "Captain," "Commercial Film," "Confectionery Production," "Countrywoman," "Cyclist," "East Devon County Press," "East London Sports & Entertainments Mirror," "Educational Film Review," "Farmer's Weekly," "Fashion Age," "Gas Times," "Good Gardening," "Hereford Bulletin & Free Press," "Home Farmer," "Hunting Magazine," "Landscape & Garden," "Modern Stories," "Motor Sports" (incorporating *Brooklands, Track and Air* and *M.G. Magazine*), "Mystery & Detection," "Nature Lover," "Popular Music & Dancing Weekly," "Potters Bar Gazette," "Practical Motorist," "Practical Television," "Scottish Bridge Magazine," "Swimming," "Tamworth News," "Twickenham News," "Vigorous Health," "Weekly Illustrated," "Wine & Food," "Woman's Mirror," "Women's Wear News," "World Jewry."

We have to report a reduction in the number of **amalgamations** and **mergers** compared with the average for recent years.

Willing's Press Guide

Amongst the more important of these **changes** are the under-mentioned :—

"Amateur Wireless" & "Practical Wireless" are now amalgamated as "Practical & Amateur Wireless." "Gas Engineer" is now "Gas Industry." "Cambridge Independent Press" and "Cambridge Chronicle" are now one. "Good Roads" is now "Highways & Bridges." "Jewish World" is incorporated with "Jewish Chronicle." "Canning & Food Trade Journal" with "Food." "Corner Magazine" with "Red Magazine." "The Bookman" with "London Mercury." "Todmorden News," "Todmorden Advertiser" and "Hebden Bridge News" have amalgamated under the title "News & Advertiser." "Railway Engineer" has been merged with the "Railway Gazette." "Woman's Own" and "Woman's Life" have joined forces. "Wireless Constructor" is now "Wireless & Television Review." "Times Trade & Engineering Supplement" is now a monthly bearing the title "Trade & Engineering." "Canada's Weekly" is a new publication combining the old "Canada" and "Canadian Gazette." "Kelso Mail & Border Gazette" is continued as the "Border Mail & Gazette."

Other names which will not be found are the "Clarion," "Darian," "Independent," "New Challenge," "Pictorial Weekly" and "Social Democrat," all of which have suspended separate publication.

An additional feature in the 1935 Guide is the separate list of **Sunday newspapers**. In view of the increased use of these journals in appropriations we feel that this segregation will be welcomed by advertisers and agencies.

We again express our gratitude to the many publishers, who have so readily replied to our enquiries for information. In the few instances where we were unable to obtain verification of the particulars printed, such entries in the Alphabetical List are marked with an asterisk.

The lists could have been considerably extended by the inclusion of a large number of **House-Organs** and **Parish Magazines**, but we believe our readers are not sufficiently interested in these periodicals to warrant the devotion of the large amount of space that would be necessary to include such particulars. We also continue to omit journals which depend mainly for revenue on the charges made for blocks.

The Editor invites publishers to send him information concerning any new journals or changes in existing publications which may be made from time to time.

We leave the reader to form his own judgment of this new issue ; we are sure he will agree that "Willing's Press Guide" is the most reliable and complete work of its type and exceptional value for its moderate price.

REPRESENTING ENGLAND

ADVERTISERS embarking on new campaigns can minimise wasteful expenditure while gaining experience for future operations on a national scale.

Yorkshire is the perfect testing ground for these campaigns. It forms "a national market in miniature." It is claimed that its varied communities are representative of the whole country.

The welcome a product receives from one quarter, the indifference to it in another, the facilities, obstacles, and reactions encountered are valuable data.

And just as surely as the approach to the national market is guided by this data, the approach to the Yorkshire zone is through

Not *how much* but *how little*

Many of the leading clients of Willing Service have the largest turnovers in their particular fields, yet in few cases can they be designated "largest advertisers" by reason of expenditure.

Not how much but how small an expenditure will achieve a desired sales quota is our first thought.

The Clients of Willing Service include—
BOOTH'S DRY GIN, DUBILIER Condensers, EKCO Radio, EUTHYMOL Tooth Paste, INTERNATIONAL CORRESPONDENCE SCHOOLS Ltd., LLOYDS Bank Ltd. POSTERS

“Disphersed most notoriously in severil places”

Terence Mulvaney

To-day we say the Posters we handle are distributed rather than “disphersed”—are displayed conspicuously rather than “notoriously”—and are posted everywhere required rather than “in severil places.”

With our knowledge of sites throughout the country and our close co-operation with local Billposters we assure effective and economical coverage.

Our inspection service ensures the effective maintenance of each display throughout its appearance.

In these days of specialisation there is more reason than ever why your Poster advertising should be placed with Willings—specialists for over 70 years.

W. H. Lynas, Esq.,
The Leader,
134, Fleet Street,
E. C. 4.

16th Oct
1934.

My dear Lynas,

On the principle of rendering honour where it is due I think I ought to give you the following information without making any proviso that you keep it to yourself.

One of our clients has been consistently using a full and comprehensive list of publications - national Sundays, dailies, provincial newspapers, weekly periodicals.

We have just finished tabulating the results over a period of eighteen months, our object being to discover, primarily, what orders rather than coupons have cost.

Of the whole list only six publications have produced orders to the value of £1 and over per £1 invested in advertising.

Of these six The Leader ranks fourth.

I imagine you would have been even better pleased had I been able to tell you that your paper led the van. Still, I don't think you have any reason to reproach yourself. Certainly neither our clients nor ourselves are complaining about the results obtained from The Leader. As you will gather from the order for a further series of insertions which is being sent to you.

Yours sincerely,

Stanley J. Chipperfield

Managing Director
THE FREEMAN CHIPPERFIELD COMPANY LTD.

NOTES TO REFERENCES.

- (1) Copies are in the British Museum.
- (2) 1690 is the date often given. The first volume is in the British Museum, Nos. 1 to 3 being too much mutilated for the date to be correctly ascertained, but the fourth number is for Friday, March 10, to Monday, March 13, 1699 (N.S. 1700).
- (3) The date commonly given is 1711, but as many copies of an earlier date are in the British Museum, it is assumed from No. 339, for July, 1708, that publication commenced in 1705.
- (4) Green's History of Worcester (1796) states that it is conjectured a public paper was established in Worcester about 1690.
- (5) For the first eighteen years the numbers were divided into half-yearly volumes. Perhaps the earliest copy in existence is for Jan. 6, 1715-6, vol. vii. One for Nov. 7, 1717, vol. x., was exhibited at the Caxton Celebration, and the earliest copy in the British Museum is vol. xi., No. 21, for Thurs., May 22, 1718—twelve quarto pages, 8½ inches by 6. A number for 1719, vol. xiv., is said to be in the Museum of the Philosophical Society of Leicester; one is spoken of for 1723, vol. xxi.; and the British Museum contains vols. xxxi. and xxxii., for 1728, now an octavo of eight pages, 9 inches by 5½. The date of establishment of the present paper is probably 1731, as a copy of the *Lincoln, Rutland, and Stamford Mercury*, for Jan. 9, 1789, says "This paper for upwards of Fifty-seven years has been and continues to be circulated every Friday morning," &c., proving that the *Stamford Mercury* was not looked upon as the original of the present paper.
- (6) The date is assumed from an obituary notice of Mr. Wm. Chase in the paper for June 2, 1744, wherein he is said to have "printed the *Norwich Mercury* for about 30 years." The proprietors on Jan. 26, 1884, issued a facsimile of the paper of Jan 21-8, 1727, and they have in their possession "an odd copy or two for 1721."
- (7) No. 530 is dated March 22, 1722 (published twice a week), and No. 1 of the *Kentish Gazette* is dated April 30 to May 4, 1768. On the following 23rd of July the *Kentish Post* was incorporated, and the paper appeared as the *Kentish Gazette and Canterbury Chronicle*, beginning again as No. 1.
- (8) Vol. ii., 1719-20, was in the Caxton Exhibition. The paper was discontinued from 1755 to 1757, a new numbering then being adopted.
- (9) The first number was published on May 2, 1720. A copy of the first volume is in the Northampton Free Reference Library.
- (10) 1720 has been given. No. 255 is dated Feb. 21, 1727.
- (11) A copy of the first number, for July 8, 1723, is in the Bodleian Library, and of this a facsimile was issued as a supplement to the paper on July 8, 1882.
- (12) The *York Courant* was incorporated with the *York Herald*, which started on Jan. 2, 1790.
- (13) 1720 is frequently given. A copy for July 10, 1739, is No. 76, vol. ii.; and one for March 12, 1744, is No. 372, vol. ix. A copy of the *Salisbury and Winchester Journal* for Sept. 7, 1829, is 5639, following which the number is 56310, and so onwards.
- (14) 1719 and 1721 are given. A copy for 1772 is No. 1858.
- (15) Was incorporated with the *Derbyshire Advertiser* in 1929, re-commenced separate publication in 1932 but was again incorporated with the *Derbyshire Advertiser* in 1933.
- (16) 1736 is commonly given. The proprietor (1884) said 1737.
- (17) 1748 is also given. A copy for Dec. 8, 1884, is No. 2198; pointing to a still later date.
- (18) 1745 and 1746 have been given.
- (19) A copy of the *Leeds Intelligencer* for Jan. 3, 1883, says 1751, but in 1866 the date claimed was 1754.
- (20) A copy of the *Bath Advertiser* for March 8, 1760, is No. 230, and one of the *Bath Chronicle* for May 7, 1761, is No. 30.
- (21) The date commonly given is 1759. No. 1, in the British Museum, is dated Jan. 12, 1760.
- (22) This had only reached No. 1319, vol. xxvi., on May 23, 1795.
- (23) An earlier date, under a different name, is sometimes given to this paper, but with this title a copy of No. 17, for April 18-21, 1761, is in the British Museum.
- (24) 1730 is frequently given.
- (25) A copy for Nov. 23, 1775, is No. 761, vol. viii., and the title is preceded by "John Ferrar."
- (26) This is said to be an error, being the date of the amalgamation of the *Kentish Post* and *Kentish Gazette* (see note 7). However, a copy of the *Kentish Chronicle* for April 28, 1795, is No. 1592.
- (27) 1782 and 1789 have been given. The paper was not numbered till June 21st, 1792, when it was begun with No. 1024.
- (28) A volume for 1772 was in the Caxton Exhibition.
- (29) A copy for April 13, 1774, is No. 2 (i.e., for that year). The numbers were reissued as a pocket volume at the end of each year as *Weatherby's Racing Book*.
- (30) 1773 is sometimes given. No. 1 is in the British Museum, and dated May 2, 1775.
- (31) 1778 is also given.
- (32) 1777 and 1779 have been given.
- (33) The first number, in the British Museum, speaks of itself as the *Universal Register*, while its heading is "The Daily Universal Register, Printed Logographically." By His Majesty's Patent. Numb. 1, Saturday, January 1, 1785. Price Two-pence Half-penny." The printer is James Fleming. The first number of *The Times* is now exhibited in the British Museum.
- (34) This had only reached No. 996, vol. xx., on Jan. 6, 1830.
- (35) 1788 is also given.
- (36) No. 6 of *The Observer*, for Jan. 8, 1792, is in the British Museum.
- (37) In 1862 this paper was incorporated with the *Bath Express*, afterwards the *Bath Herald*.
- (38) No. 2 of the *Morning Advertiser*, dated Feb. 10, 1794, is in the British Museum; also facsimile of No. 1.

RECENT TITULAR CHANGES AND AMALGAMATIONS

The following list deals only with publications which have changed their titles or have been amalgamated with other publications during the past ten years. The date of issue or of change, where ascertained, follows the title; a second title printed in *italic* indicates that the list must be again entered with that title until the new-found one is printed in Roman character, when, if further information is required, reference should be made to the publication in the Alphabetical List, page 1. When a publication has received a new title, the contraction *bec.* signifies "became"; and when a title has been incorporated, the contraction *inc.* stands for "incorporated with," "amalgamated with" or "merged into."

NOW that process engravers, typesetters and electrotypers work as to the ticking of stop watches, we are thankful (so are our clients) that only a couple of swing doors separate our foundry from the composing room and that on the floor below are our process engraving departments. . . . On these vast floors operates the best organised complete service for advertisers where, by the closest association of all departments, you are assured most attention to detail — and where you can rely upon enthusiastic co-operation in all your problems.

You advertise, naturally, in a paper that appeals to people having money to spend.

For 140 years the "Morning Advertiser" has enjoyed an unbroken daily circulation among people who can and DO spend money. It is their own daily journal—one which they support, and, more important still, one by which they are influenced.

Brewers, Distillers, Hoteliers, Restaurateurs and Licensed Victuallers (the last three being caterers), together with their staffs and clients, derive benefit from reading it. It is the organ of the Incorporated Society of Licensed Victuallers.

You will find it an excellent medium. Why not use it?

The Universe

not only holds its own as the premier Catholic publication in this country, but it continues to increase in popularity.

The last certificate issued showed the average net sales per week for a six months' period to be 103,256 whereas the six months, January to June, 1934, averages

This is an increase of

attained without extraneous inducements but by merit alone.

This sale is many thousands in excess of the combined sales of all other Catholic papers printed in the United Kingdom, and about double that of any other recognised denominational religious organ.
